FRAGRANCE INNOVATION SUMMIT
PARIS, NOVEMBER 25, 2026

Terms and Conditions

1. Registration

Registration includes access to the conference room, welcome reception, coffee breaks, lunch, and conference summary documents, which may be provided electronically at a later date.

Registration is subject to availability and will only be considered confirmed upon receipt of payment. Once your registration request and payment have been received, you will be sent a **registration confirmation** by email. Invoice will be sent upon request.

Each participant will also receive a **printable admission ticket** by email, which must be presented at the entrance. Participants are required to wear their badge visibly at all times during the event.

2. Cancellations and Rescheduling

All cancellation requests must be submitted in writing. For cancellations received before **October 30, 2026**, 50% of the registration fee will be refunded, with the remaining 50% retained by the organizers. For cancellations received on or after this date, no refund will be issued. **Participants may, however, transfer their registration to a colleague from the same company, provided the organizers are notified in advance of the event.**

In the event that the public health situation, a force majeure event, or any other event beyond their control — including, but not limited to, serious political instability, a strike, or water damage — forces the organizers to postpone the event to a later date, registrations will remain valid and will be carried over to the new date.

3. Program and Speakers

The organizers reserve the right to modify the program at any time and without prior notice. Any such changes shall not entitle participants to a refund of registration fees.

Should one or more speakers be unable to attend, the organizers will make every reasonable effort to arrange for suitable replacements. The inability to replace any speaker shall not entitle participants to a refund of registration fees.

4. Access to the Venue and the Conference

Participants must print their **admission ticket** and present it at the registration desk to gain access to the conference. Participants must wear their badge in a visible manner throughout the event.

Access to the venue will be subject to the health and safety regulations in effect at the time of the event.

5. Right of Publicity and Intellectual Property

Participants agree that the organizers may photograph, film, record, and otherwise document the **Fragrance Innovation Summit taking place on November 25, 2026**. This includes photographs, video footage, interviews, statements, presentations, texts, and any other content created, delivered, displayed, or presented by participants during the event.

Participants grant the organizers the right to use their image and likeness, as well as the rights to reproduce, publish, distribute, display, and adapt the above-mentioned content, on any medium or communication platform, including websites published or operated by the organizers and social media channels, for the purposes of promoting and publicizing the organizers, their activities, products, and services, both during and after the event. This authorization applies to all forms of use, whether free of charge or for consideration, and to all media, whether currently existing or developed in the future.

6. Governing Law

In the event of a dispute or controversy, only French courts shall have jurisdiction, and only French law shall apply. Disputes with customers from registered companies shall be submitted to the Commercial Court of Paris.
